Dear Sir/Madam,

My name is [Tên], born on [DOB], a Vietnamese citizen with passport number [Mã passport].
I'm a [Chức danh] for [Tên Công ty], specializing in [Lĩnh vực hoạt động].

I am writing to apply for a tourist visa to Hongkong with my wife, Mrs. [Tên vợ], born on [DOB], a Vietnamese citizen with passport number [Mã passport].

My wife and I have traveled to several countries, including India, South Korea, Thailand, Malaysia and Singapore. We have always complied with the laws and regulations of the host countries in all of our travels. We are responsible people who always respect the cultures and customs of the countries we have visited.

This time, we would like to visit Hong Kong to explore the city's unique culture. We have planned our trip and will be staying in Hong Kong for 4 days. We will be staying at the Royal Pacific Hotel and will be visiting popular attractions such as:

- Wong Tai Sin Temple
- Tin Hau Temple
- Hongkong Culture Centre
- Ave of Stars
- Bruce Lee Statue
- Temple of Street Night Market
- Victoria Peak Pavillion
- Stone Slab Street
- Golden Bauhinia Square
- Xiqu Centre

We have sufficient income and financial resources to support the trip. We have stable jobs and high monthly incomes. We also have a bank savings account with a balance that is sufficient to cover the cost of the trip.

Both of us are passionate about independent travel and have traveled to many countries in Asia on our own. We are eager to obtain a Hong Kong visa to continue exploring the culture

and people of Hong Kong. We will comply with the laws and regulations of Hong Kong and abide by the validity period of the visa.

We have attached the following documents to support our visa application:

- Passport valid for at least 6 months.
- ID photos.
- Round-trip air tickets.
- Hotel booking confirmation.
- Bank account statement.
- Employment documentation.

We hope that the Embassy/ Consulate will consider our application and issue a visa for us.

Sincerely,

[Họ tên]
